T 52 N

## Proposed Alternative 2

N

0.5 0 0.5 1 1.5 Miles

1:48000

## Legend

- Proposed Temporary Stream Crossings
- Proposed culvert removals or replacement
- Desired Long-Term Road and Trail System
- BPA line Tending Road
- Open Year-round and Maintained
- Additional open Year-round and Maintained
- Stand Tending Roads
- All Terrain Vehicle Trails
- Motorcycle Trails
- Proposed ATV Roads (Recreation/Forest Maintenance)
- Proposed System Road Construction

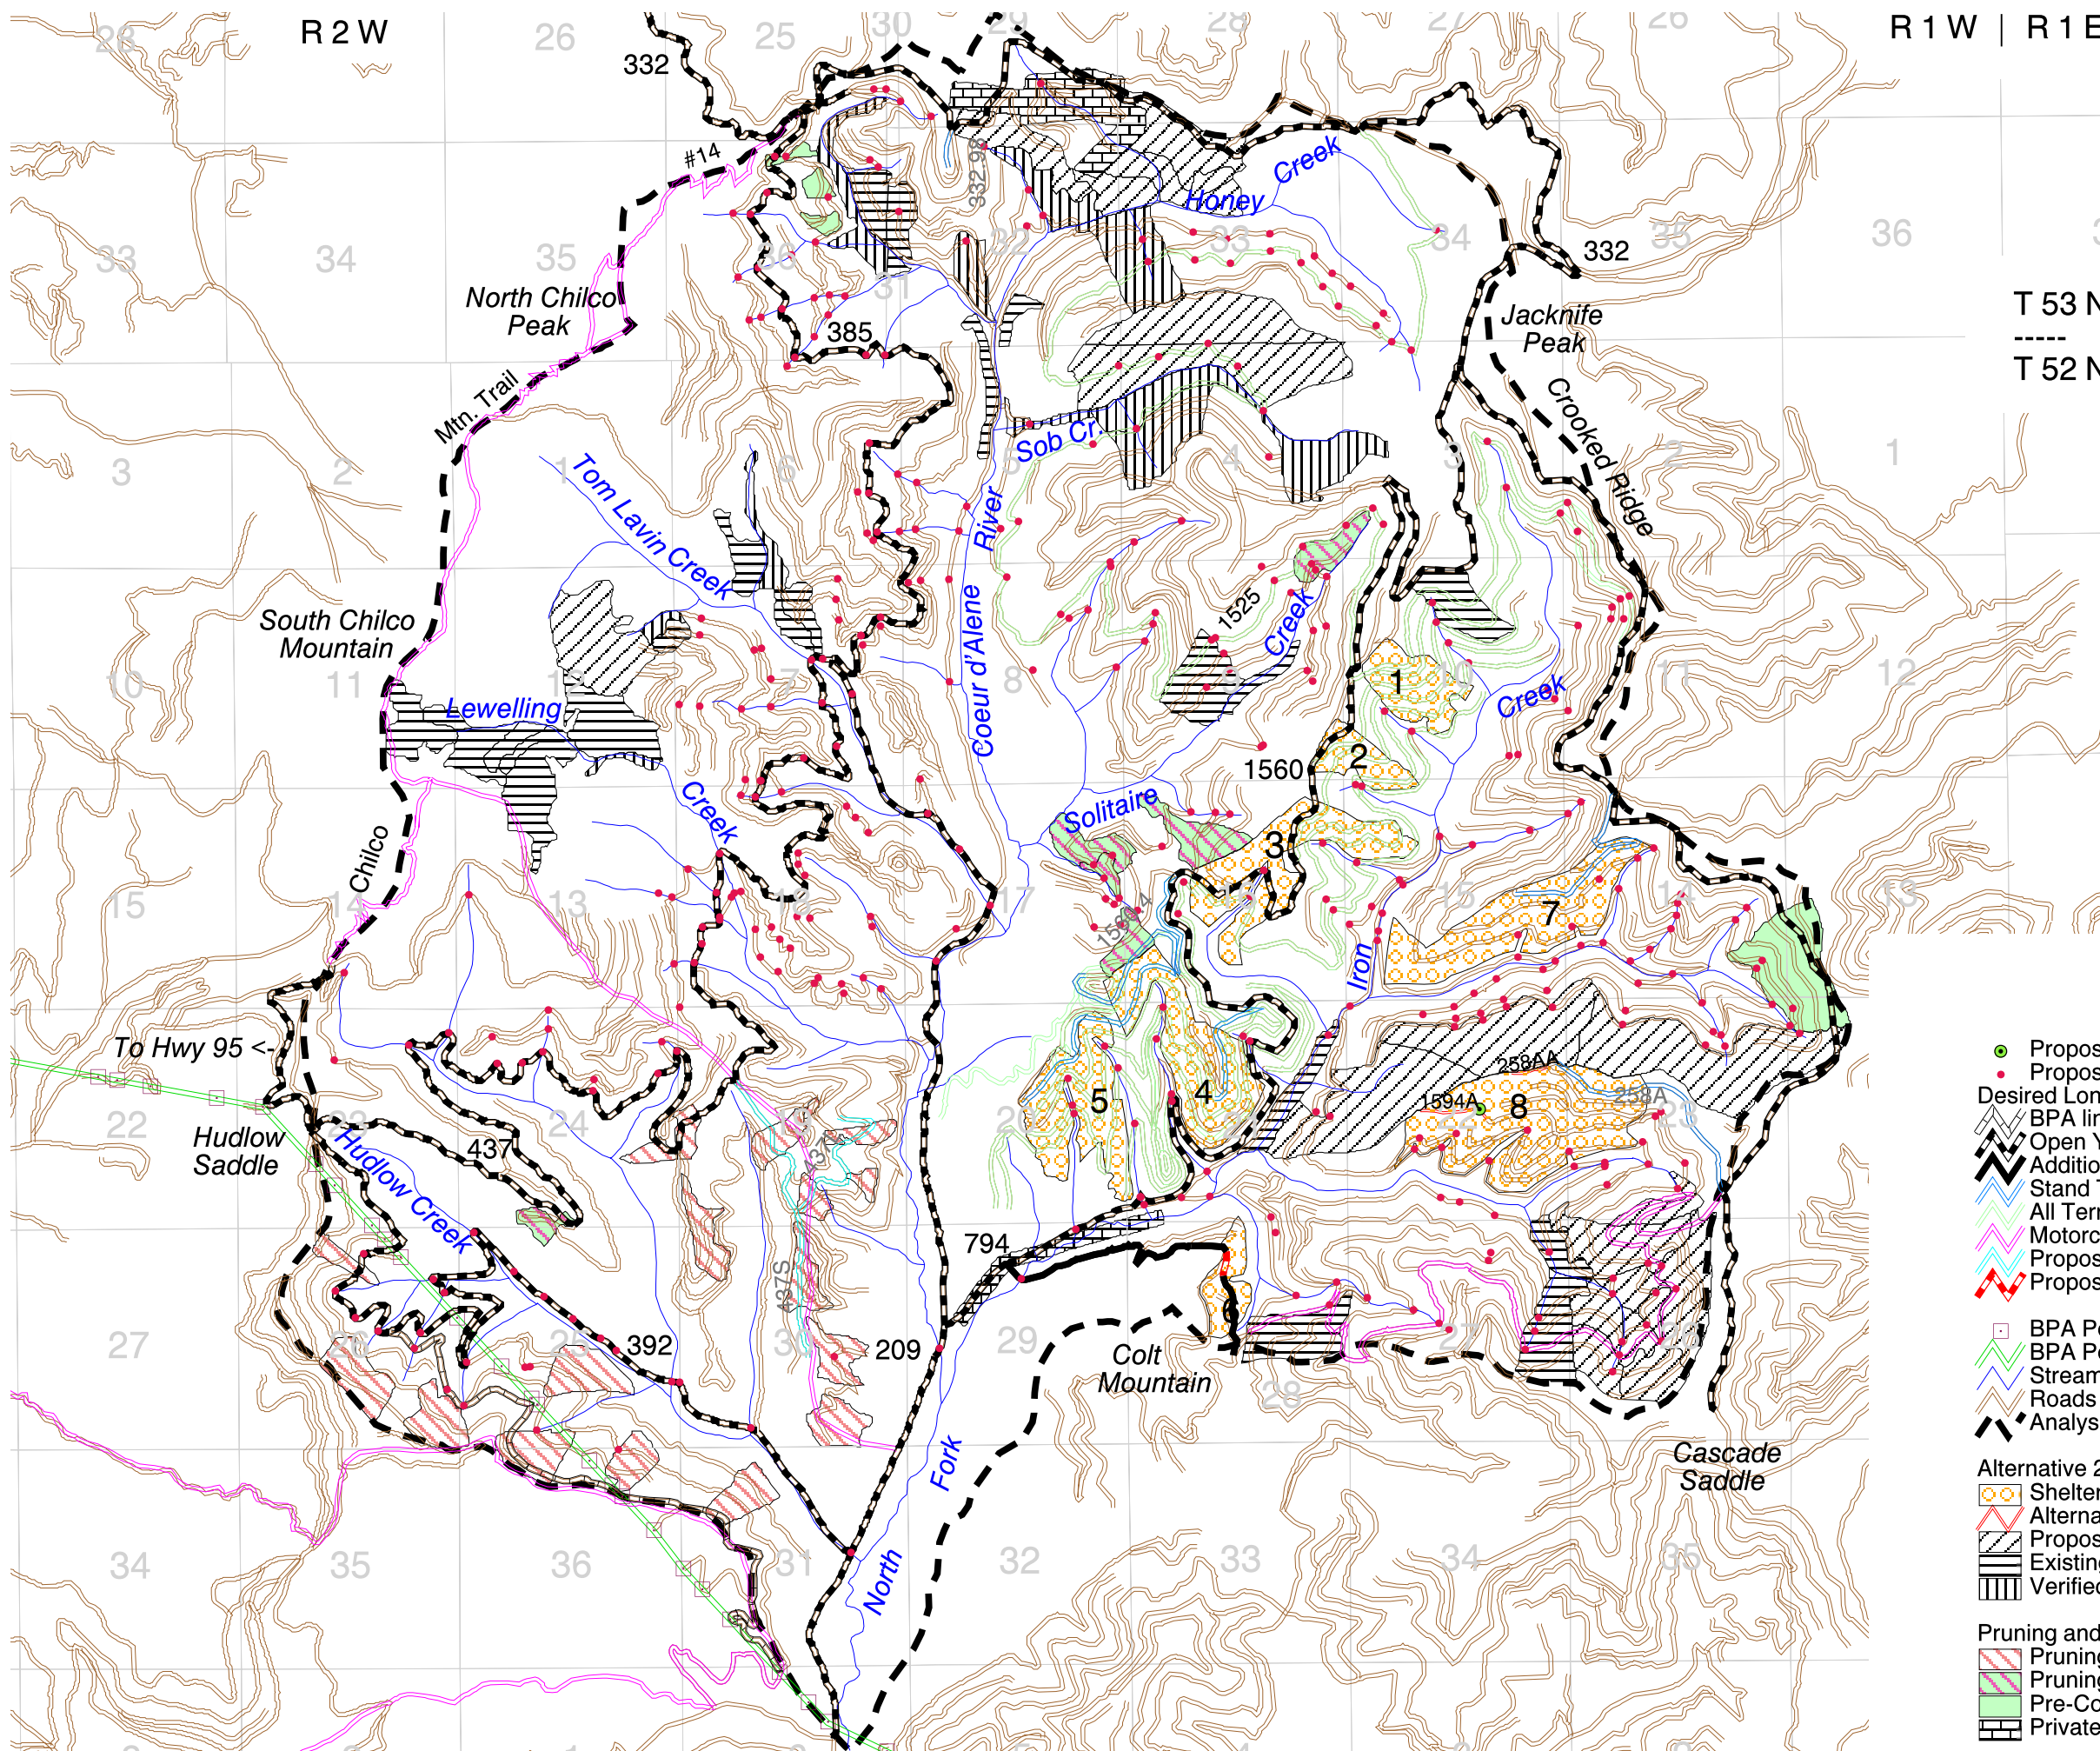

- BPA Power Line Towers
- BPA Power Line
- Streams
- Roads
- Analysis Area Boundary

### Alternative 2 Proposed Harvest Units

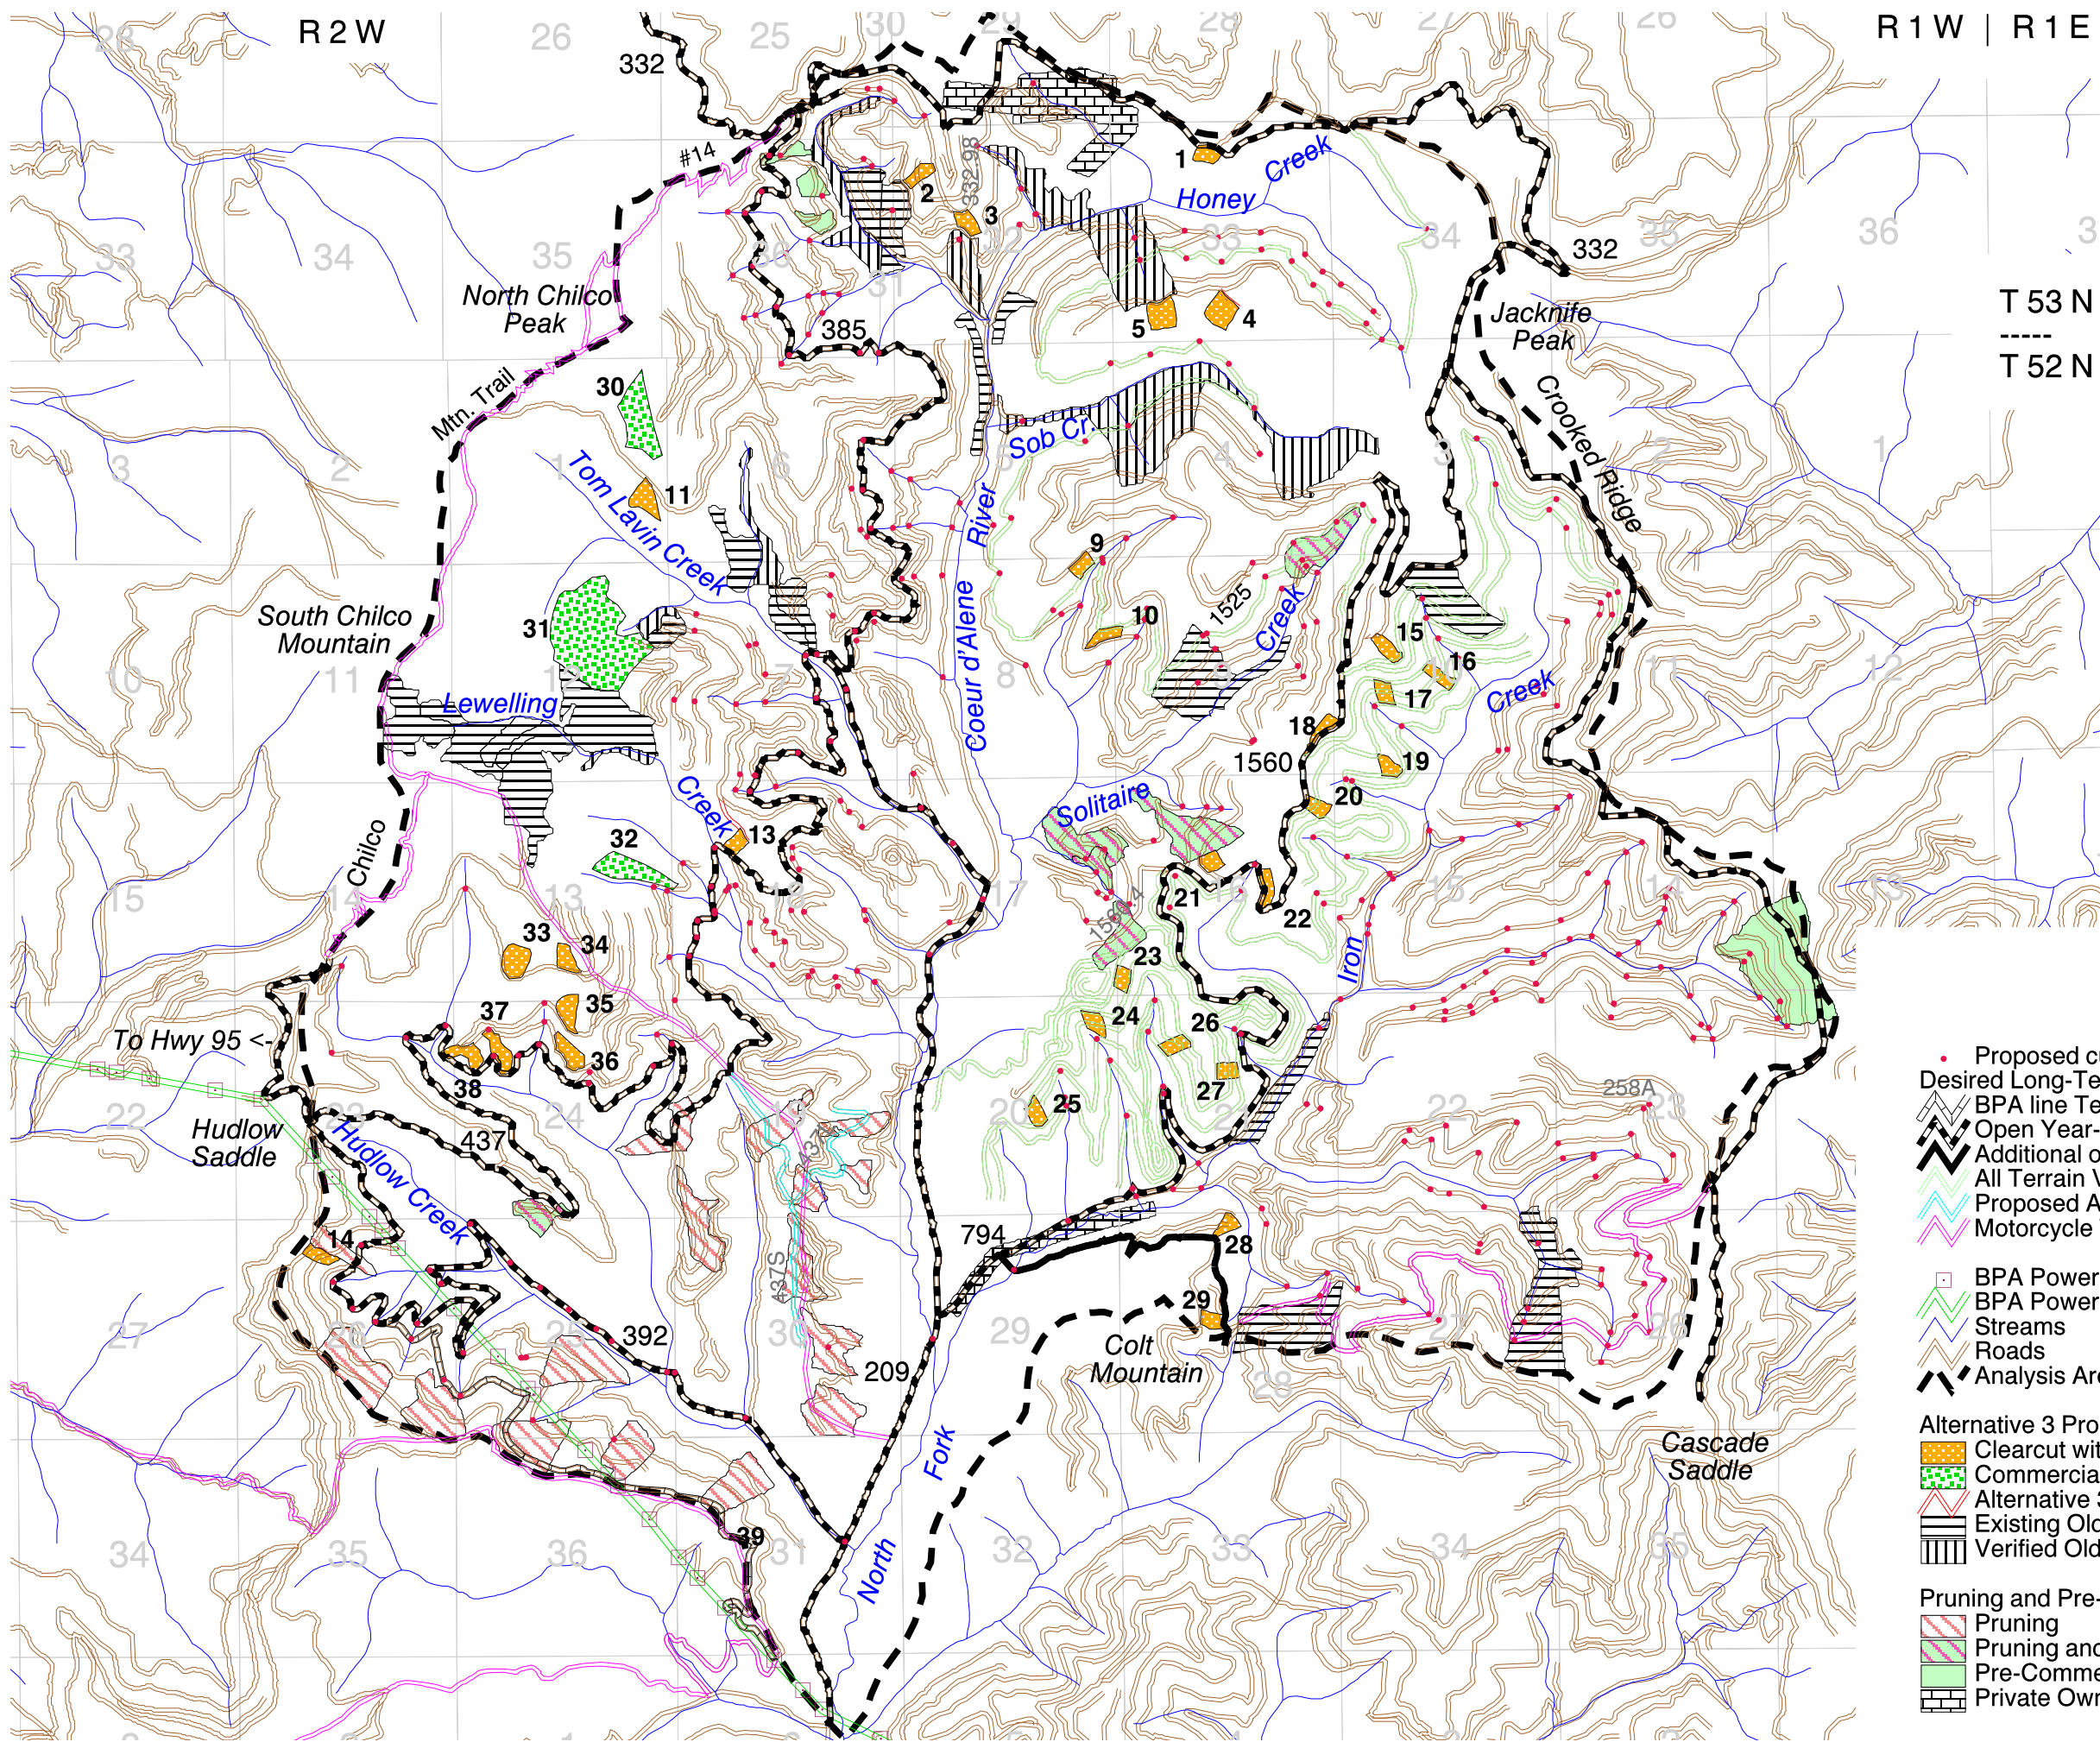

- Shelterwood
- Alternative 2 Temporary Road Construction
- Proposed Old Growth Recruitment
- Existing Old Growth Recruitment
- Verified Old Growth

### Pruning and Pre-Commercial Thinning

- Pruning
- Pruning and Pre-Commercial Thinning
- Pre-Commercial Thinning
- Private Ownership

Proposed Alternative 3

1:48000

## Legend

- Proposed culvert removals or replacement
- Desired Long-Term Road and Trail System
  - ▲ BPA line Tending Road
  - ▲ Open Year-round and Maintained
  - ▲ Additional open Year-round and Maintained
  - ▲ All Terrain Vehicle Trails
  - ▲ Proposed ATV Roads (Recreation/Forest Maintenance)
  - ▲ Motorcycle Trails
- BPA Power Line Towers
- ▲ BPA Power Line
- ▲ Streams
- ▲ Roads
- ▲ Analysis Area Boundary
- Alternative 3 Proposed Units
  - Clearcut with Reserves
  - Commercial Thinning
  - Alternative 3 Temporary Road Construction
  - Existing Old Growth Recruitment
  - Verified Old Growth
- Pruning and Pre-Commercial Thinning
  - Pruning
  - Pruning and Pre-Commercial Thinning
  - Pre-Commercial Thinning
  - Private Ownership

Proposed Alternative 5

0.5 0 0.5 1 1.5 Miles

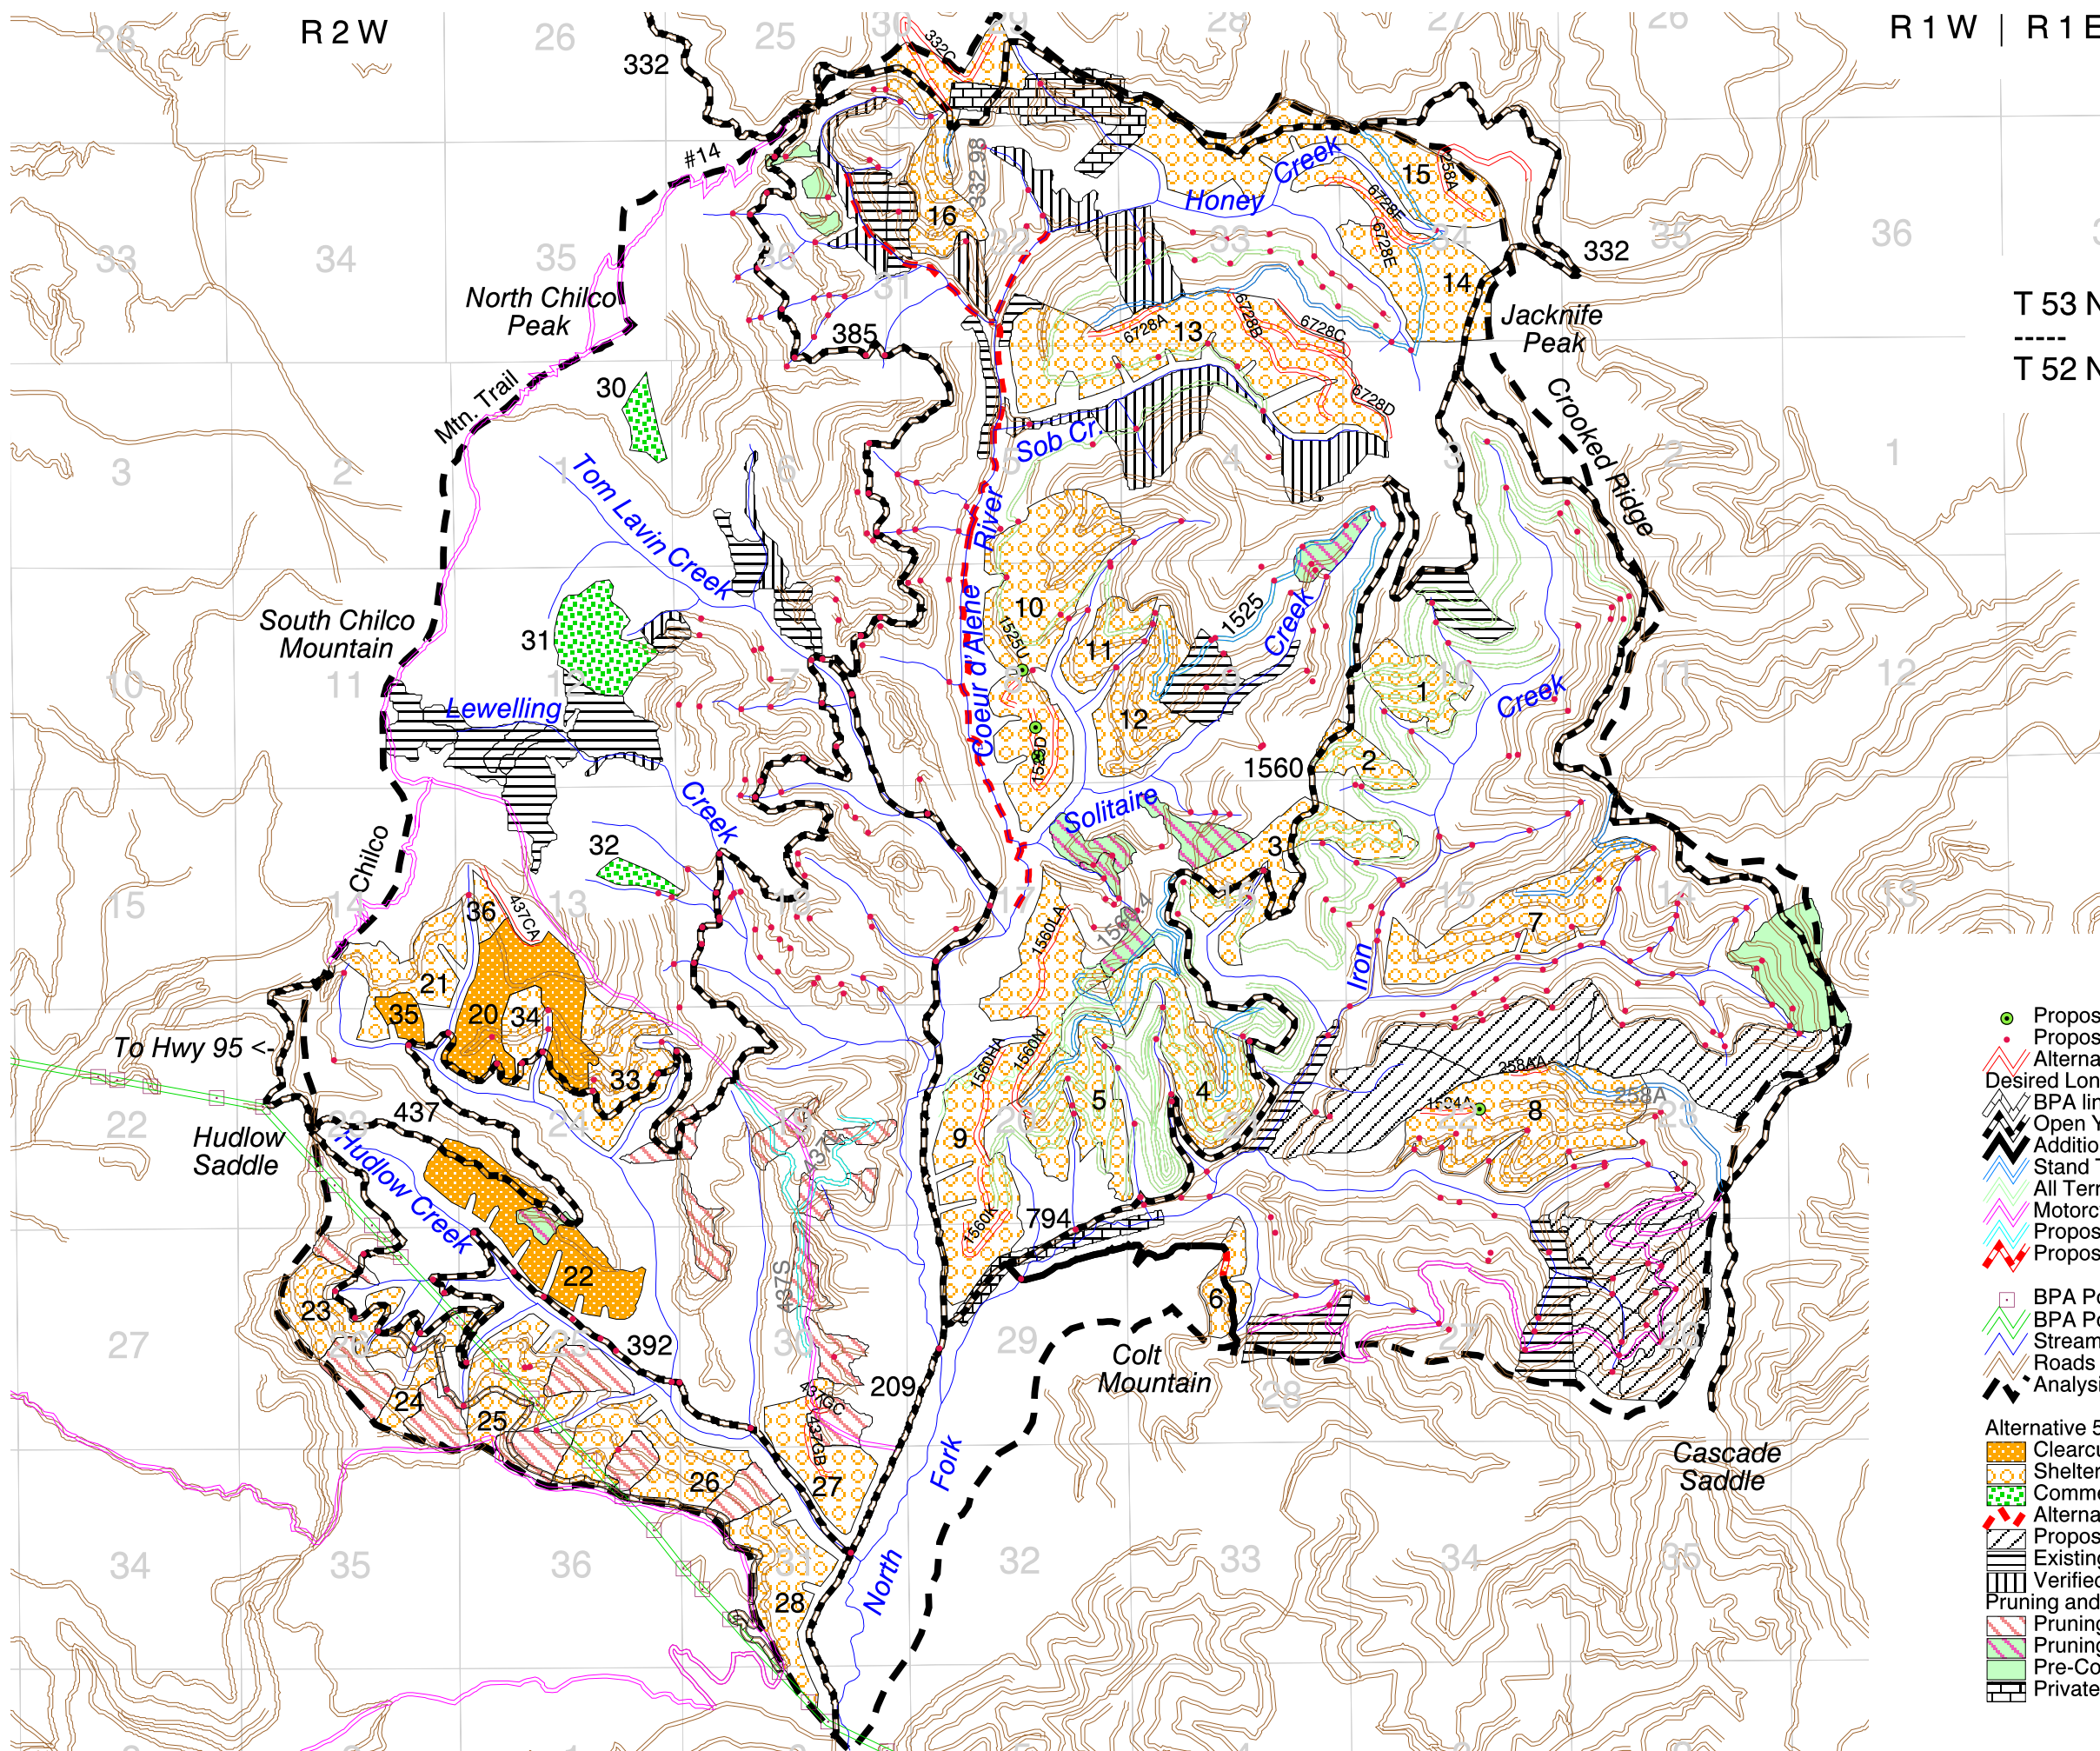

1:48000

## Legend

- Proposed Temporary Stream Crossings
- Proposed culvert removals or replacement
- Alternative 5 Temporary Road Construction
- Desired Long-Term Road and Trail System
- BPA line Tending Road
- Open Year-round and Maintained
- Additional open Year-round and Maintained
- Stand Tending Roads
- All Terrain Vehicle Trails
- Motorcycle Trails
- Proposed ATV Roads (Recreation/Forest Maintenance)
- Proposed System Road Construction

- BPA Power Line Towers
- BPA Power Line
- Streams
- Roads
- Analysis Area Boundary

- Alternative 5 Units
- Clearcut with Reserves
- Shelterwood Removal
- Commercial Thin
- Alternative 5 Instream Improvement Work
- Proposed Old Growth Recruitment
- Existing Old Growth Recruitment
- Verified Old Growth
- Pruning and Pre-Commercial Thinning
- Pruning
- Pruning and Pre-Commercial Thinning
- Pre-Commercial Thinning
- Private Ownership

## Proposed Alternative 7

1:48000

## Legend

- Proposed Temporary Stream Crossings
- Proposed culvert removals or replacement
- Desired Long-Term Road and Trail System
- BPA line Tending Road
- Open Year-round and Maintained
- Additional open Year-round and Maintained
- Stand Tending Roads
- All Terrain Vehicle Trails
- Motorcycle Trails
- Proposed ATV Roads (Recreation/Forest Maintenance)
- Proposed System Road Construction
- BPA Power Line Towers
- BPA Power Line
- Streams
- Roads
- Analysis Area Boundary
- Alternative 7 Proposed Units
  - Clearcut with Reserves
  - Shelterwood Removal
  - Commercial Thin
  - Alternative 7 Temporary Road Construction
  - Proposed Old Growth Recruitment
  - Existing Old Growth Recruitment
  - Verified Old Growth
- Pruning and Pre-Commercial Thinning
  - Pruning
  - Pruning and Pre-Commercial Thinning
  - Pre-Commercial Thinning
  - Private Ownership

# Iron Honey Environmental Impact Statement

Proposed Alternative 8

0.5 0 0.5 1 1.5 Miles

1:48000

## Legend

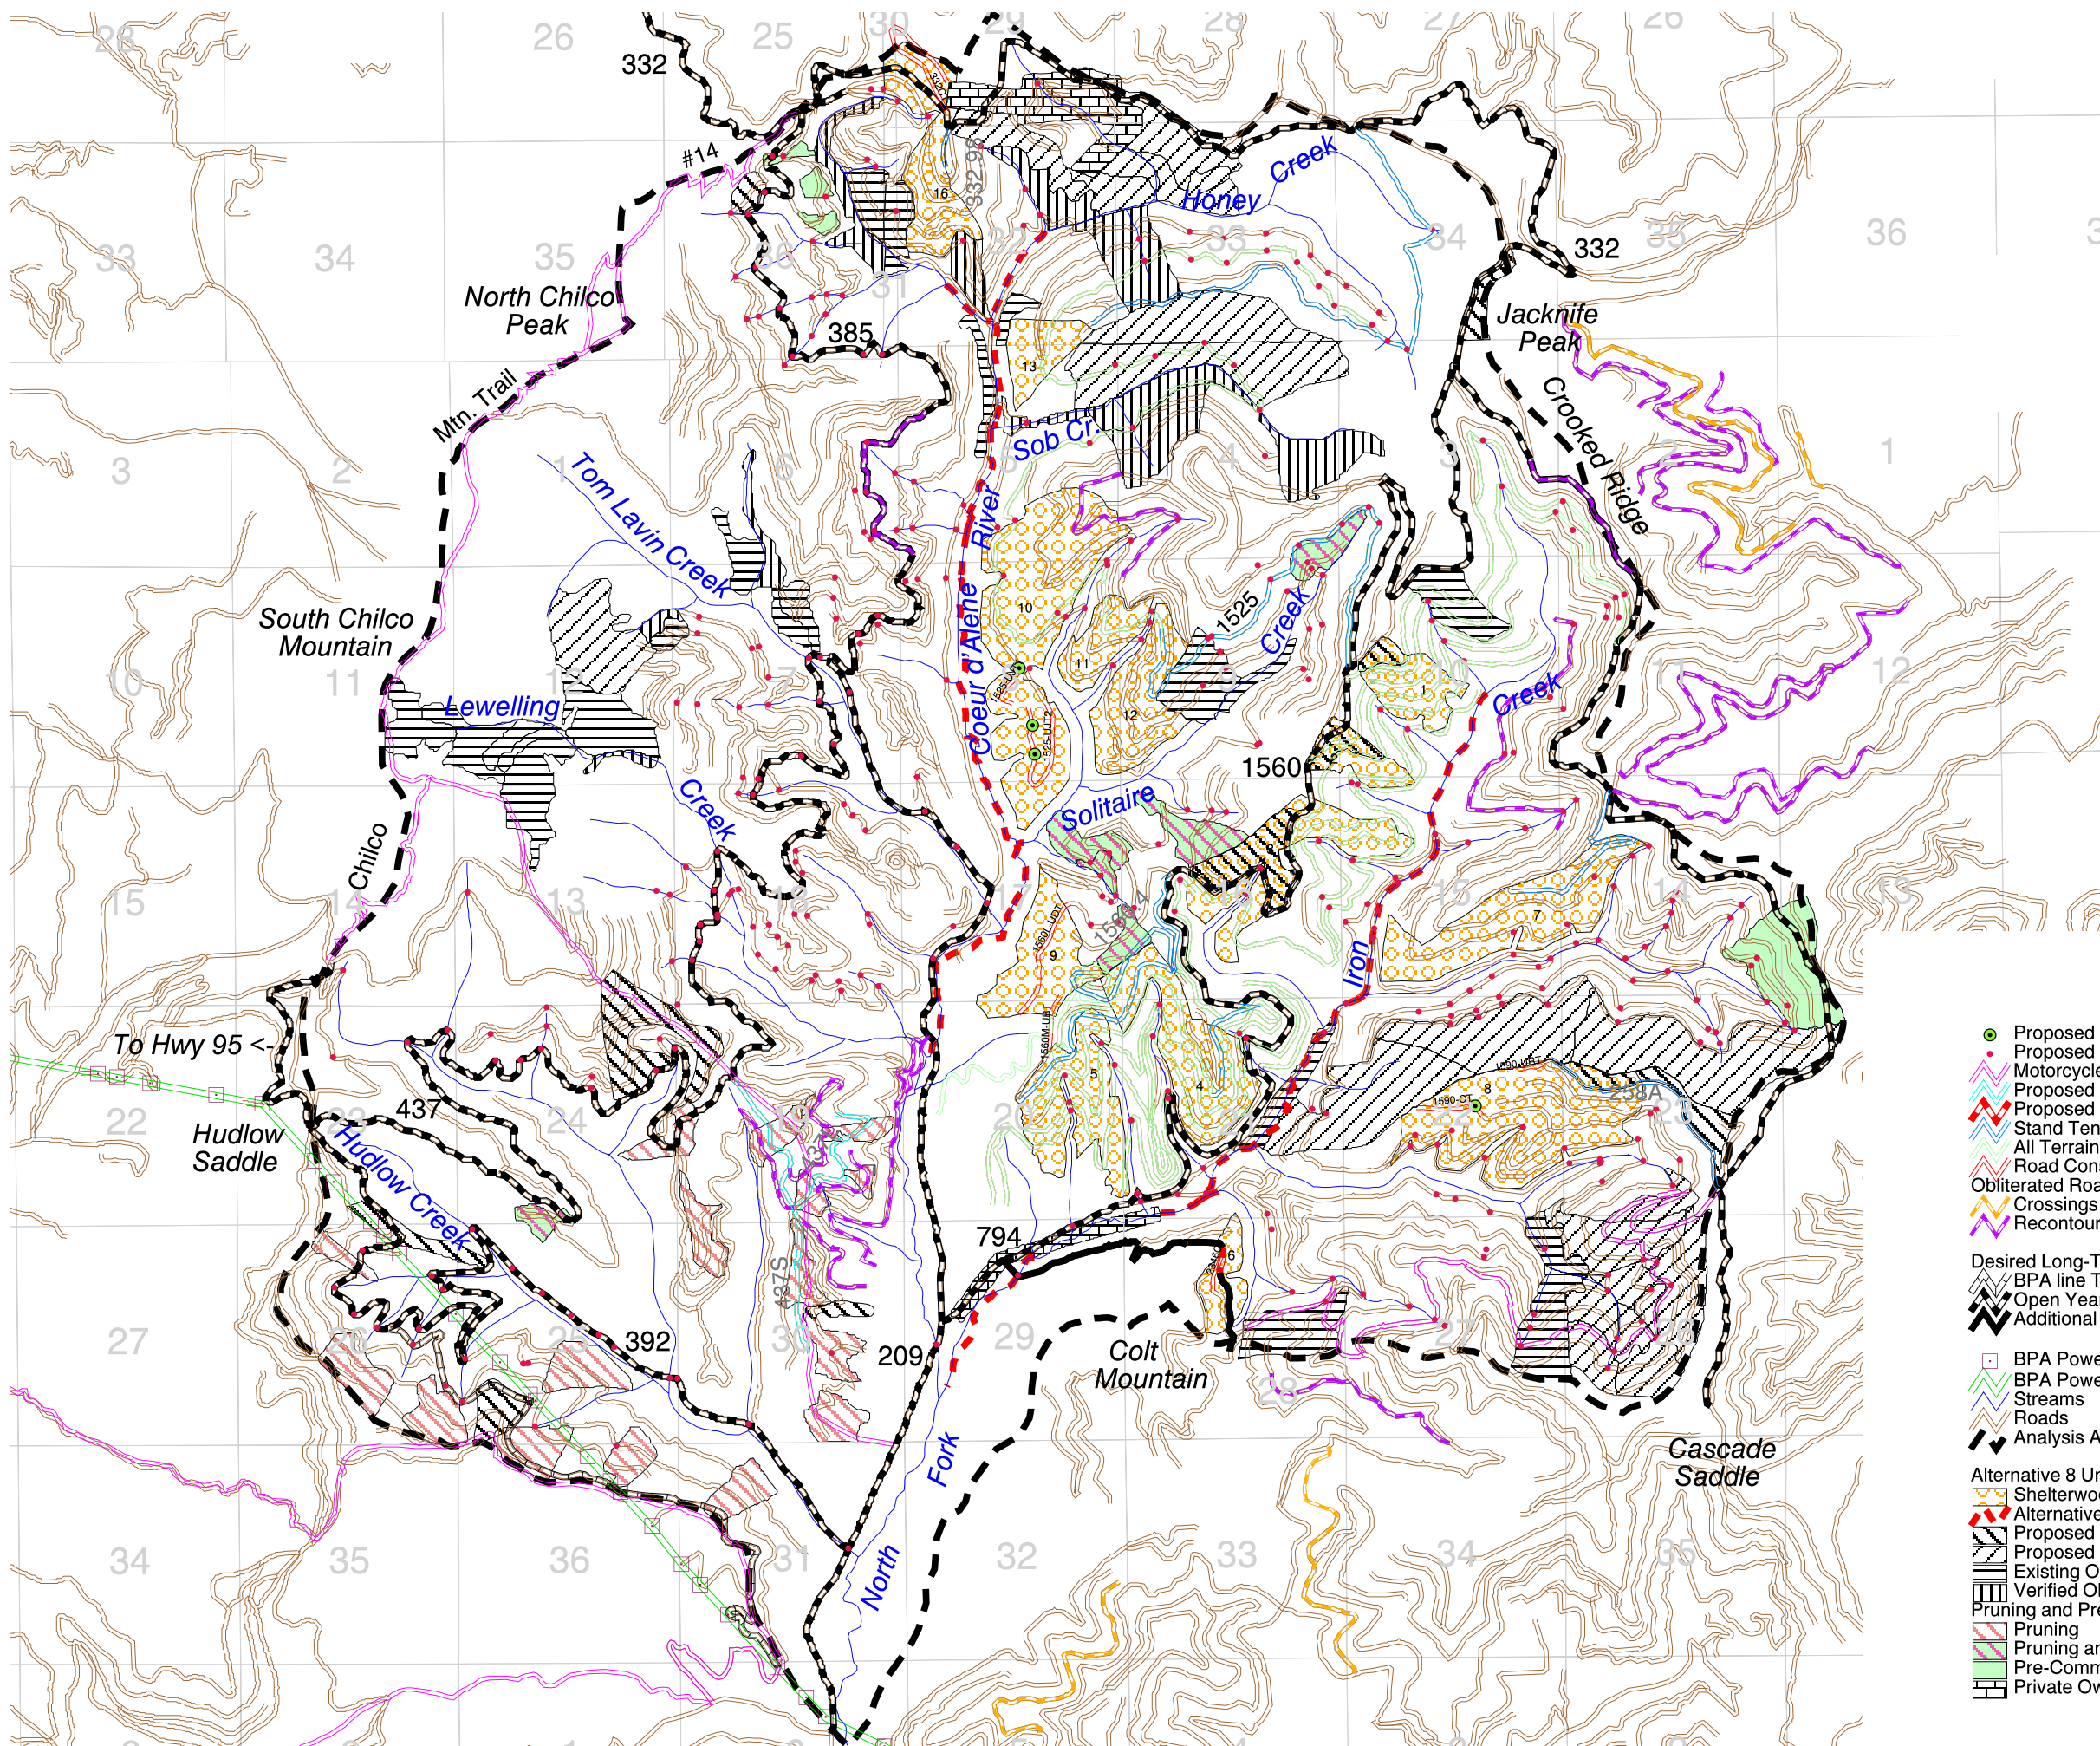

- Proposed Temporary Stream Crossings
- Proposed culvert removals or replacement
- Motorcycle Trails
- Proposed ATV Roads (Recreation/Forest Maintenance)
- Proposed System Road Construction
- Stand Tending Roads
- All Terrain Vehicle Trails
- Road Construction
- Obliterated Roads
- Crossings pulled
- Recontoured

Desired Long-Term Road and Trail System

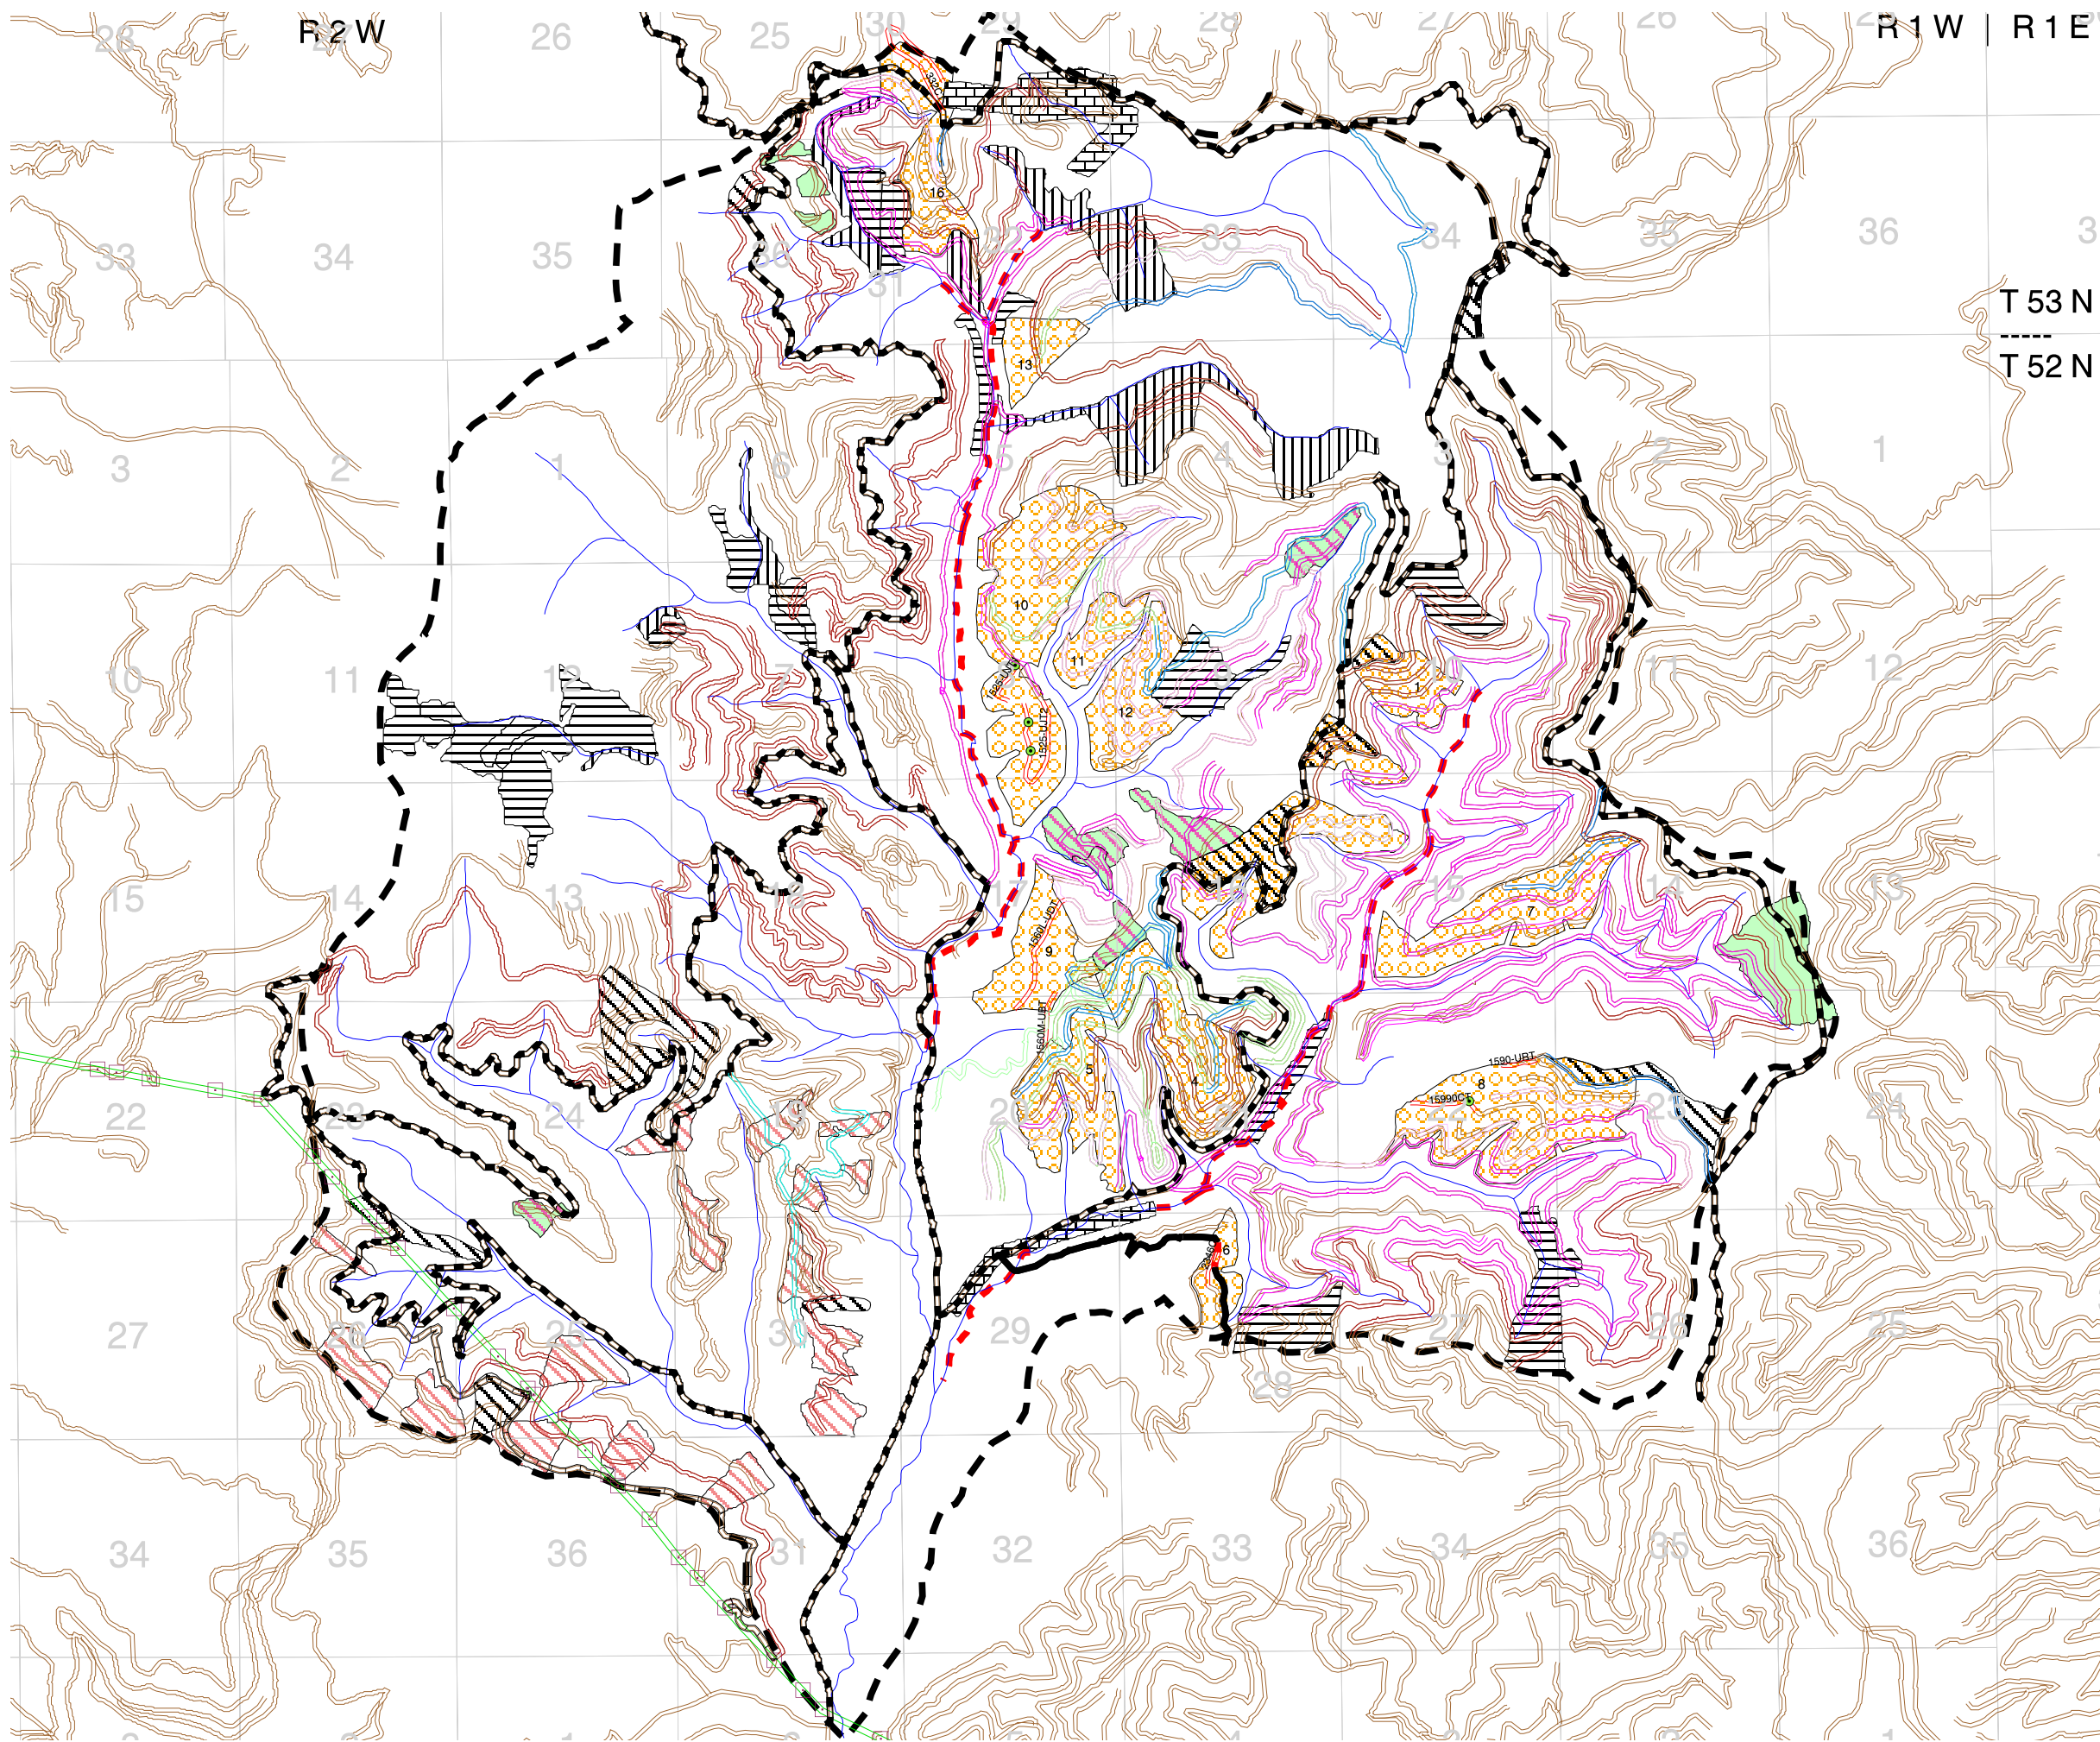

- BPA line Tending Road
- Open Year-round and Maintained
- Additional open Year-round and Maintained

- BPA Power Line Towers
- BPA Power Line
- Streams
- Roads
- Analysis Area Boundary

- Alternative 8 Units
- Shelterwood Removal
  - Alternative 8 Instream Improvement Work
  - Proposed Instream Wood Structure Source Area
  - Proposed Old Growth Recruitment
  - Existing Old Growth Recruitment
  - Verified Old Growth
  - Pruning and Pre-Commercial Thinning
  - Pruning
  - Pruning and Pre-Commercial Thinning
  - Pre-Commercial Thinning
  - Private Ownership

## Proposed Alternative 8 KV Features and Opportunities

1:48000

### Legend

#### Features and Opportunities

- Features
- Opportunities
- Other Opportunities
- Proposed Temporary Stream Crossings
- Proposed ATV Roads (Recreation/Forest Maintenance)
- Proposed System Road Construction
- Stand Tending Roads
- All Terrain Vehicle Trails
- Road Construction

#### Desired Long-Term Road and Trail System

- BPA line Tending Road
- Open Year-round and Maintained
- Additional open Year-round and Maintained

#### BPA Power Line Towers

- BPA Power Line

#### Streams

- Roads

#### Analysis Area Boundary

#### Alternative 8 Units

- Shelterwood Removal
- Alternative 8 Instream Improvement Work
- Proposed Instream Wood Structure Source Area
- Existing Old Growth Recruitment
- Verified Old Growth
- Pruning and Pre-Commercial Thinning
- Pruning
- Pruning and Pre-Commercial Thinning
- Pre-Commercial Thinning
- Private Ownership
